HONORING CHLOE GOULD

CHLOE'S SIGNATURE DISH

Southern Curry Jambalaya

Chef Chloe's Southern Curry Jambalaya recipe was inspired by one of New Orleans' greatest chefs, Mrs. Leah Chase. Jambalaya is a beloved, iconic New Orleans dish. This version, custom for CPS, includes tender chicken, seasoned with peppers, onions, and garlic, simmered with curry Cajun-spiced rice.

Described as a "food translator" for her amazing ability to introduce culturally diverse flavors into the most tried and true American dishes, Chef Chloe, a CPS graduate, began her love for cooking at a very young age as her Grandma's prep cook. After culinary school she traveled abroad and returned to Chicago to train students in the Culinary Arts at CPS as a Chef Instructor. She's now the owner of DixiePura Catering.
